GAME IN 45 MINUTES. Each player gets 45 minutes. The latest the last game should be done is 3:30 PM. Trophies will be awarded after each quad finishes.
AWARDS:	Minimum of one trophy in each quad--four players arranged by ratings. We try to place individuals with close ratings and in the same grade together. We try to avoid pairing provisional players with those who have permanent ratings. Adjustment may also be made so that individuals from the same school or club do not play each other as long as ratings are within 100 pts. The most current listed rating will be used. At each of the tournaments anyone not winning a trophy will receive a medal. Grand Prix point winners will receive much larger trophies + free entries to SCS Weibel Tournaments.
